

Lent

A season of prayer, fasting, and almsgiving.

Our Mission

St. Gregory the Great Catholic School develops students who achieve their full potential by becoming life-long learners, problem-solvers, and leaders. A strong moral foundation rooted in Gospel values along with rigorous academic preparation empowers students to make a difference in an ever-changing world.

Dear Parents and Guardians,

Each Lent, Catholic families across the country unite to put their faith into action through prayer, fasting and almsgiving. Through CRS Rice Bowl, families learn about how our sisters and brothers across the globe overcome hardships like hunger and climate change, and how

through Lenten alms, we have the power to make the world a better place for all. CRS Rice bowls were distributed to each of our students this week. Visit crsricebowl.org to learn more.

Sincerely yours in Christ,

Principal Fleming

Time Out

I'm sure all parents at some point felt the need to give their children what we call a "time out". That is because of their behavior, you felt compelled to put your foot down and firmly say, "All right, that's it, you have a time out!" And so, you sent your child into a corner or room, where he/she was instructed to sit still and be quiet until you decided that the "time out" was over.

Did you ever wonder what your child was thinking about during his/her time out? Hopefully they weren't just sorry that they got caught or planning to repeat the same behavior when the time out's over. The "time out" is not simply a punishment, but an encouragement to the child to use that quiet time alone to think about their behavior-why it was wrong and how it affected or hurt others.

Lent is the season in which we all are encouraged to give ourselves a "time out". This time out is not for punishment (some think that fasting and abstinence are punishments but is not eating meat on the Friday's of Lent and fasting on Ash Wed. and Good Friday really that tough?), rather the "time out" and the Lenten season are meant to encourage us to reflect on who we are now versus who God wants us to be.

Jesus took a "time out" for 40 days- during this time he prepared himself for what God was calling Him to do. If this time was needed and important for the Son of God, how much more important must a "time out" be for us?

God Loves You,
Fr. Dunn
